Shakira, The One (I Need)

So I find a reason to shave my legs Each single morning

So I count on someone

Friday nights to take me dancing

And then to church on Sundays

To plant more dreams

And someday think of kids

Or maybe just to save a little money

You're the one I need

The way back home is always long

But if youre close to me

I'm holding on

You're the one I need

My real life has just begon

'Cause there's nothing like

Your smile made of sun

In the world full of strangers

You're the one I know

So I learn to cook

And finally lose

My kitchen phobia

So I've got the arms to cuddle in

When there's a ghost or a muse

That brings insomnia

To buy more thongs

And write more happy songs

It always takes a little help from someone

You're the one I need

The way back home is always long

But if you're close to me

I'm holding on

You're the one I need

My real life has just begon

Cause theres nothing like

You're smile made of sun

You're the one I need

The way back home is always long

But if you're close to me

I'm holding on

You're the one I need

My real life has just begon

'Cause theres nothing like

You're smile made of sun

You're the one I need

You're the one I need

With you my real life has just begon

You're the one I need

You're the one I need

Nothing like your smile made of sun

Nothing like your love

Nothing like your love

Nothing like your love...
