

# Shawn Mendes, Memories

When I wake up to your footsteps  
As you get up out of bed  
They make a sound that sounds so simple  
But it dances in my head  
A melody so perfect  
That it gets me through the day  
And the thought of us forever  
Is one that won't ever go away

All I need to know is  
Where to start  
Take my hand and show me forever  
So never will I ever let you go

So let's hold on together  
To this paper and this pen  
And write down every letter  
To every word we've ever said

All I need to know is  
Where to stop  
Take my hand and show me forever  
So never will I ever let you go

Let's write our story  
And let's sing our songs  
Let's hang our pictures on the wall  
All these precious moments  
That we carved in stone  
Are only memories after all

Memories after all  
Memories after all

You gave me all  
But I've got to let go  
I've got to let go

It's taking its toll  
Deep in my soul  
Now I've got to let go

Read all our stories  
And we sang our songs  
We hung our pictures on the wall

All those precious moments  
That we carved in stone  
Are only memories after all
