

Shawn Mendes, Never Be Alone

I promise that one day I'll be around
I'll keep you safe
I'll keep you sound

Right now it's pretty crazy
And I don't know how to stop or slow it down

Hey, I know there are some things we need to talk about

And I can't stay
So let me hold you for a little longer now

Take a piece of my heart
And make it all your own
So when we are apart
You'll never be alone /2x

You'll never be alone
When you miss me close your eyes
I may be far but never gone

When you fall sleep tonight just remember that we lay under the same stars

And hey
I know there are some things we need to talk about

And I can't stay
Just let me hold you for a little longer now

And take a piece of my heart
And make it all your own
So when we are apart
You'll never be alone /6x

And take a piece of my heart
And make it all your own
So when we are apart
You'll never be alone
Never be alone.
