

Shawn Mendes, Piece Of You

It makes me wanna cry
Don't know what to do
It's so hard but it's true
Everybody wants a piece

I get reckless i am obsessive
I am pathetic and possessive
You're so sure it makes me insecure
You're majestic mesmerizing
Light the room up without tryin
Aby ai ma so into you it hurts

It's isn't fair
What you put in the air
I don't wanna share*
