

# Shawn Mendes, Piece Of You

It makes me wanna cry  
Don't know what to do  
It's so hard but it's true  
Everybody wants a piece

I get reckless i am obsessive  
I am pathetic and possessive  
You're so sure it makes me insecure  
You're majestic mesmerizing  
Light the room up without tryin  
Aby ai ma so into you it hurts

It's isn't fair  
What you put in the air  
I don't wanna share\*
