

Shawn Mendes, Song For No One

I wake up a little drunk
Check my phone
I am all alone!
10 missed calls
A couple texts
None of them are
Who I am looking for
Who I am looking for

This is a song for no one
This is a song for no one

Get on a plane
Fly to the most beautiful places you've ever been
Close my eyes
Things are better in my dreams
Cause I am with someone
Someone I adore

This is a song for no one
I wrote This song for no one*
