

# Shawn Mendes, Song For No One

I wake up a little drunk  
Check my phone  
I am all alone!  
10 missed calls  
A couple texts  
None of them are  
Who i am looking for  
Who i am looking for

This is a song for no one  
This is a song for no one

Get on a plane  
Fly to the most beautiful places you've ever been  
Close my eyes  
Things are better in my dreams  
Cause i am with someone  
Someone i adore

This is a song for no one  
I wrote This song for no one\*
