

Shawn Mendes, When You're Gone

You never know how good you have it
Ohh, ohhh
Until you're staring at a picture of the only girl that matters
Huhhh uh
I know what we're supposed to do
It's hard for me to let go of you
so I'm just trying to hold on

Hold on, I don't wanna know what it's like when you're gone
I don't wanna move on
I don't wanna know what it's like when you're gone for good
You're slipping through my fingertips
A little bit by a little bit
I didn't know that loving you was the happiest I've ever been
So I'm just trying to hold on

I need to learn how to cope without you
I'm trying to pretend myself but I don't really know how to
Yeah ohh I know what we're supposed to do
Ohh but I hate the thought of losing you
So I'm just trying to hold on

Hold on, I don't wanna know what it's like when you're gone
I don't wanna move on
I don't wanna know what it's like when you're gone for good
You're slipping through my fingertips
A little bit by a little bit
I didn't know that loving you was the happiest I've ever been
So I'm just trying to hold on

Starting to feel like you don't need me
Wanna believe it's all for the better
It's getting real
I'm missing you deeply
So I'm just trying to hold on
Starting to feel like you don't need me
Wanna believe it's all for the better
It's getting real
I'm missing you deeply
So I'm just trying to hold on

Hold on, I don't wanna know what it's like when you're gone
I don't wanna move on
I don't wanna know what it's like when you're gone for good
You're slipping through my fingertips
A little bit by a little bit
I didn't know that loving you was the happiest I've ever been
So I'm just trying to hold on
I'm just trying to move on
