

Shayne Ward, Stand By Me

Nothing's impossible
Nothing's unreachable
When I am weary
You make me stronger
This love is beautiful
So unforgettable
I feel no winter cold
When where together
When were together

[chorus]

Will you stand by me
Hold on and never let me go
Will you stand by me
With you I know I belong
When the story gets told

When day turns into night
I look into your eyes
I see my future now
All the world and its wonder

This love wont fade away
And through the hardest days
I'll never question us
You are the reason
Why only reason

Will you stand by me
Hold on and never let me go
Will you stand by me
With you I know I belong
When the story gets told

I am blessed
To find what I need
In a world loosing hope
Yuor my only belive
You make things right
Everytime after time

Will you stand by me
Hold on and never let me go
Will you stand by me
With you I know I belong
When the story gets told

[Repeat chorus]

Stand by me
No more darlin I want you by my side
I want you hear with mee
