

Shaznay Lewis, Dance

Owww...

Hey, won't you come and show me what you got?

Hey, think you can keep up with me all night?

I said hey this booty wants to get on down with you

Hey, something tells me that you dig the way I move

My mission is to get you tonight

I'm feeling hot boy, so hold me tight

This is where we're supposed to be

Don't be shy come, give it to me

And, dance

All night long

Said I don't wanna stop (oh baby baby)

Make it hot

One step right and one step left, come on

One step right and one step left, dance

Baby, I can't seem to take my eyes off you

Hey, everything you do has got me hooked

Move your body close to mine

Feeling hot boy hold me tight

This is where we're supposed to be

Don't be shy come give it to me

And, dance

All night long

Said I don't wanna stop (oh baby baby)

Make it hot

Doesn't it feel like I'm all alone

Like a secret that nobody knows

Hold me tight don't let me go

Oh it can't be wrong it can't be wrong

Keep rocking kee-kee-keep rocking

Keep rocking kee-kee-keep rocking

Dance keep rocking

Dance keep rocking

Dance keep rocking

Dance keep rocking

Dance (my mission is to get you tonight)

All night long (I'm feeling hot boy, so hold me tight)

Said I don't wanna stop (this is where we're supposed to be)

Make it hot (don't be shy come, give it to me)

Dance (my mission is to get you tonight)

All night long (I'm feeling hot boy, so hold me tight)

Said I don't wanna stop (this is where we're supposed to be)

Make it hot (don't be shy come give it to me)
