

Shout Out Louds, End Up Behind

I don't like what I'm hearing.
I don't like what you're saying.
I don't understand the word,
As if I hadn't heard.
I don't like who's whispering, no,
I don't like it at all.
I just wanna hear your voice,
As if i had a choice.
But in the end of the line,
we will win the time.
And everyone will end up behind.
We'll do it all over again,
high upon the bend.
And everyone will end up behind.
I wish I could stand up tall,
and I wish that I didn't care at all.
But there's misery for eternity.
But I know there is time for us,
yes, i know it.
Well, you will hear my voice.
And you don't have a choice.
But in the end of the line,
we will win the time.
And everyone will end up behind.
We'll do it all over again,
high upon the bend.
And everyone will end up behind.
