Shout Out Louds, I Meant To Call

I meant to call, I meant to call, But I didnt call you, Yes I didnt call at all. If I would say something like that, If I would say it right would you take me back? If I would turn it upside down, It would give everybody something to talk about, Oh-oh Oh-oh. I meant to call. Cause I meant to call, But I didnt call you, No I didnt call at all. I meant to call, Cause I meant to call, But I didnt call. And if I made a promise like that, And if kept it right would you take me back, Would you take me back? But if I broke a promise like that, It would give everybody something to talk about, Oh Oh Oh Oh. I meant to call, Cause I meant to call, But I didnt call you, No I didnt call at all. I meant to call, Cause I meant to call, But I didnt call, No I didnt call at all. I meant to call, Cause I meant to call, But I didnt call you, No I didnt call at all. I meant to call. Cause I meant to call, But I didnt call. No I didnt call at all. No I didnt call at all. No I didnt call at all. I didnt call at all. Didnt call at all.
