

Shout Out Louds, Wish I Was Dead

I want to hear drums and my hearts a drum.

I guess we never know what to become. Well i didnt know that this was such a problem.

It's gonna get better when we solve them.

I try to try to lose my head but i wish wish wish that you were always here and i try to try to lose my

I'm on birthday cards and on a big trip. If this woudlnt happen then i'd bite my lip. But i didnt know th

And I try to try to lose my head and i wish wish wish that you were always here. And i try to try to lo

Wa wa wa and i try to try to lose my head and i wish wish wish that you were always here and i try
