

Shy Albatross, Moonlight

Meet me tonight
Lover meet me
Meet mi in the Moonlight alone
I have a sad story to tell you
Must be told in the Moonlight alone

I wish I had never been bore
Or Had died when I was die
I would never have saw your sweet face
Or hurt you lying talk

If I have mind my mother
I had been with her today
But I was young
I was foolish
And you stole my heard away

If I had wings as an eagle
Cross the wide sea I would fly
I would fly to the arms of my darling
There I would stay till I die
