

Sia, David Guetta & Afrojack, Helium

I'm trying but I keep falling down
I cry out but nothing comes now
I'm giving my all and I know peace will come
I never wanted to need someone

Yes, I wanted to play tough
But I could do all just on my own
But eve Superwoman sometimes need supermen's soul

Help me out of this hell
Your love lifts me up like a helium
Your love lifts me up
When I'm down, down, down
When I've hit the ground
You're all I need

And If you let do
I'll float towards the Sun
I;m stronger
Coz you fill me up
But when the fears come and drift towards the ground
I'm lucky that you're around

Yes, I wanted to play tough
But I could do all just on my own
But eve Superwoman sometimes need supermen's soul

Help me out of this hell
Your love lifts me up like a helium
Your love lifts me up
When I'm down, down, down
When I've hit the ground
You're all I need
