

# Sia, Don't Bring Me Down

Faint light of dawn  
I'm listening to you breathing in and out  
Needing nothing  
You're honey dipped  
You are beautiful, floating clouds, soft world  
I can't feel my lips  
I'm going down, I don't want to change  
I'm going down, going down the drain

Don't bring me down, I beg you  
Don't bring me down, I won't let you  
Don't bring me down

Then all of that's anulled and I'm anyone's  
Everyone's, we are one  
Your face becomes the sun  
And I'm addicted to the joy that the little things  
Those little things  
The little things they bring

I'm going down, I don't want to change  
I'm going down, going down the drain

Don't bring me down, I beg you  
Don't bring me down, I won't let you  
Don't bring me down
