

Sia, Elastic Heart (feat. Shia LaBeouf & Maddie Z

And another one bites the dust
Oh why can I not conquer love?
And I might have thought that we were one
Wanted to fight this war without weapons
And I wanted it, I wanted it bad
But there were so many red flags
Now another one bites the dust
Let's be clear, I'll trust no one

You did not break me
I'm still fighting for peace

Well, I've got thick skin and an elastic heart,
But your blade it might be too sharp
I'm like a rubber band until you pull too hard,
I may snap and I move fast
But you won't see me fall apart
'Cause I've got an elastic heart

I've got an elastic heart
I've got an elastic heart

And I will stay up through the night
Let's be clear, won't close my eyes
And I know that I can survive
I'll walk through fire to save my life
And I want it, I want my life so bad
I'm doing everything I can
Then another one bites the dust
It's hard to lose a chosen one

You did not break me
I'm still fighting for peace

Well, I've got thick skin and an elastic heart,
But your blade it might be too sharp
I'm like a rubber band until you pull too hard,
I may snap and I move fast
But you won't see me fall apart
'Cause I've got an elastic heart
