

Sia, Elastic Heart (feat. The Weeknd & Diplo)

And another one bites the dust
But why can I not conquer love?
And I might've thought that we were one
Why not fight this war without weapons?
And I wanted it and I wanted it bad
But there were so many red flags
Now another one bites the dust
And let's be clear, I trust no one

You did not break me
I'm still fighting for peace

Well I've got a thick skin and an elastic heart
But your blade it might be too sharp
I'm like a rubber band until you pull too hard
But I may snap when I move close
But you won't see me fall apart
Cause I've got an elastic heart
I've got an elastic heart
Yeah, I've got an elastic heart

[The Weeknd:]
And I will stay up through the night
Let's be clear, I won't close my eyes
And I know that I can survive
I walked through fire to save my life
And I want it, I want my life so bad
And I'm doing everything I can
Then another one bites the dust
It's hard to lose a chosen one

[Sia & The Weeknd:]
You did not break me (You did not break me, no, no)
I'm still fighting for peace

Well I've got a thick skin and an elastic heart
But your blade it might be too sharp
I'm like a rubber band until you pull too hard
But I may snap when I move close
But you won't see me fall apart
Cause I've got an elastic heart
I've got an elastic heart
Yeah, I've got an elastic heart
