## Sia, Helium

I'm trying but I keep falling down
I cry out but nothing comes now
I'm giving my all and I know peace will come
I never wanted to need someone

Yes, I wanted to play tough But I could do all just on my own But eve Superwoman sometimes need supermen's soul

Help me out of this hell Your love lifts me up like a helium Your love lifts me up When I'm down, down, down When I've hit the ground You're all I need

And If you let do
I'll float towards the Sun
I;m stronger
Coz you fill me up
But when the fears come and drift towards the ground
I'm lucky that you're around

Yes, I wanted to play tough But I could do all just on my own But eve Superwoman sometimes need supermen's soul

Help me out of this hell Your love lifts me up like a helium Your love lifts me up When I'm down, down, down When I've hit the ground You're all I need
