

# Sia, I'm Not Important To You

You took me for granted  
You took me, you took me for granted  
But I landed back on my feet, back on  
My feet  
Cos you don't deserve me, deserve me  
You don't have the time that I need  
That I want, I deserve  
But I got back my nerve  
Did what was right for me  
I'm using my head not my heart  
And I'm starting new  
I'm going to get over you, over you

I'm not important to you  
I'm not important to you  
I'm not important to you  
I'm not important to you

You happy is all I wanted to see, is all  
I wanted to see, to see  
And so now that's what  
I'm going to be, what I'm going to be  
I'll waste some time on me  
I gave you my all and you took it  
I saw and you gave nothing back  
Your mind on another track,  
Another track, another track yeah  
There are plenty of people out there  
Who would care about me  
You'll see  
You'll see

I'm not important to you  
I'm not important to you  
I'm not important to you  
I'm not important to you
