

# Sia, Incredible (feat. Labrinth)

Hey, you know the world gets tough  
Say the word and I'll lift you up  
Yeah, I know the world gets tough  
Say the word and I'll lift you up

Give me all your venom, yeah, I love that shit  
Give it to me good, you know I won't get sick  
Give me all your poison, I'm immune to it  
I'm immune to it  
Give me all your venom, yeah, I love that shit  
Give it to me good, you know I won't get sick  
Give me all your poison, I'm immune to it  
I'm immune to it (Huh)
