

Sia, Move Your Body

Poetry on your body
You got it in every way
Can't you see it's you I am watching
I am hot for you in every way
So turn around, let me see you
Wanna free you with my rhythm
I know you can't get enough
When I turn up with my rhythm

Your body's poetry, speak to me
Won't you let me be your rhythm tonight?
Move your body, move your body
I wanna be your muse, your music
And let me be your rhythm tonight
Move your body, move your body
Your body's poetry, speak to me
Won't you let me be your rhythm tonight?
Move your body, move your body
I wanna be your muse, your music
And let me be your rhythm tonight
Move your body, move your body

Poetry on your body
Got me started, may it never end
Feel your rhythm in my system
This is living, I'm your only friend
Feel the beat in your chest
Beat your chest like an animal
Free the beast from it's cage
Free the rage like an animal

Your body's poetry, speak to me
Won't you let me be your rhythm tonight?
Move your body, move your body
I wanna be your muse, your music
And let me be your rhythm tonight
Move your body, move your body
Your body's poetry, speak to me
Won't you let me be your rhythm tonight?
Move your body, move your body
I wanna be your muse, your music
And let me be your rhythm tonight
Move your body, move your body

You body's poetry
Move your body for me
/2x

Your body's poetry, speak to me
Won't you let me be your rhythm tonight?
Move your body, move your body
I wanna be your muse, your music
And let me be your rhythm tonight
Move your body, move your body
Your body's poetry, speak to me
Won't you let me be your rhythm tonight?
Move your body, move your body
I wanna be your muse, your music
And let me be your rhythm tonight
Move your body, move your body
