

Sia, Passenger

I can't let go of control
I can't let go and not know
don't know the way you're heading me
one day at a time is all I need
there was a time without trust
there was a time without love
but it took you to show me
I could handover the keys

I'll let you lead the way now
cause I want you to take the wheel
I've never been a passenger through
I never know how good it could bfeel
the road will twist and turn but
I know tha I am in good hands
I;ve never been a passenger no
but we'll see more without a am
without a am
without a am
without a am

so let's take a walk and ger lost
let's taka a chance on finding us
I wanna see the world with you
every step feels so brand nerw
it's hard to jump with no net
but I've jumped and got no regret
my co=pilot yeah that's right
now I can just enjoy the ride

I'll let you lead the way now
cause I want you to take the wheel
I've never been a passenger through
I never know how good it could bfeel
the road will twist and turn but
I know tha I am in good hands
I;ve never been a passenger no
but we'll see more without a am
without a am
without a am
without a am
