

Sia, Santa Visits Everyone

Listen now, listen dear
Can you hear the Christmas bells
Listen close and listen here
Can you hear the magic
Open your eyes open your ears
Can you hear the Christmas bells
Now close your eyes cos' Santa's near
And Santa is the best of all

Ho ho, ho!
Lay down your head on your pillow
Ho ho, ho!
He's coming in low
Ho ho, ho!
Flying through the snow

Pitter patter /3x
Ho ho, ho!
Dream about the things you love
Dream about the stars above
Cos Santa Visits everyone

Dasher, Dancer, Rudolph too!
Jingle bells jingle by you
Comet, Prancer, Vixen who?
Jingle bells they're coming soon

Ho ho, ho!
Lay down your head on your pillow
Ho ho, ho!
He's coming in low
Ho ho, ho!
Flying through the snow

Pitter patter /3x
Ho ho, ho!
Dream about the things you love
Dream about the stars above
Cos Santa Visits everyone
