

Sia, Underneath The Christmas Lights (piosenka z reklamy t-mobile)

When will the snow fall for me?
Christmas night, oh love
we were the ones sat by the Christmas bar
lallala
oh oh
you are all I need tonight
here above the Christmas

Underneath The Christmas Lights
Underneath The Christmas Lights
Underneath The Christmas Lights
Underneath The Christmas Lights

Underneath The Christmas Lights
Underneath The Christmas Lights
Underneath The Christmas Lights
Underneath The Christmas Lights

happy presents for the girls who have cried
lalalala
happiness is ours until we die
lalalala

oh oh
you are all I need tonight
oh oh
here above the Christmas

Underneath The Christmas Lights
Underneath The Christmas Lights
Underneath The Christmas Lights
Underneath The Christmas Lights

Underneath The Christmas Lights
Underneath The Christmas Lights
Underneath The Christmas Lights
Underneath The Christmas Lights
