

# Sick Of It All, Leader

further. whatever gets me  
higher. whatever gets me  
richer. whatever gets me  
all of the power i need

clawing. pushing. ceating. stealing. using?  
it doesn't bother me  
see it. want it. grab it. hold it. never let go and  
it doesn't bother me

dirty fighting. openly lying. always conniving  
it doesn't bother me  
callous. brutal. barely human. cold and cruel and  
it doesn't bother me

i am your leader  
i am your leader  
i can't wipe the smile from my face because you trust me  
i can't wipe the smile from my face - i'm sure you envy your leader  
no mercy. no pity. no sympathy  
i've got what it takes

i've got your life and i've got your fuckin' money
