

# Sick Puppies, The Bottom

If you wanna  
Sink to the bottom with me  
Come get gotten  
Reeling and rotten beneath

One, two, three  
And down you go  
You'll be smiling  
Before you know  
If you wanna sink to the bottom with me

We're all rotten  
Buried and forgotten  
Living it up underground  
So take a ride  
(Hey! Hey! Hey! Hey!)  
You really can't be looking so surprised  
If you can't beat them  
Might as well eat them  
No ones getting out alive  
Give it a try  
(Hey! Hey! Hey! Hey!)  
It really is a wicked way to die

Listen my friend  
To sound of the sweet melody  
Doesn't it seem to resound  
Like an old memory

Screaming and crying  
We'll have none of that  
You had you're chance  
Now just sit back and relax  
Don't you want to sink to the bottom with me?

We're all rotten  
Buried and forgotten  
Living it up underground  
So take a ride  
(Hey! Hey! Hey! Hey!)

You really can't be looking so surprised  
If you can't beat them  
Might as well eat them  
No ones getting out alive  
Give it a try  
(Hey! Hey! Hey! Hey!)  
It really is a wicked way to die

You'll get used to it in a while  
Look at the way each of us smile  
You were living a fantasy  
This is exactly what you need

If you want to sink to the bottom with me  
You're getting real gotten  
Reeling and rotting beneath  
One, two, three and down you go  
Feel that smile just start to grow  
If you wanna sink to the bottom

We're all rotten  
Buried and forgotten

Living it up underground  
So take a ride  
(Hey! Hey! Hey! Hey!)  
You really can't be looking so surprised  
If you can't beat them  
Might as well eat them  
No ones getting out alive  
So give a try, try, try, try  
(Hey! Hey! Hey! Hey!)  
It really is a wicked way  
Really is a wicked way  
Really is a wicked way to die

They're all just so pathetic  
It's all psychosomatic  
The more they think the more we know  
So welcome home
