

Sigma, Changing (ft. Paloma Faith)

Hell down, heaven down
Livin' in the same town
Tryina find something new
Vocal beats a frame
I've been frozen in
Tryina find a better view
This ain't real, this ain't cool
This ain't what I signed up too
This ain't right, it's no good
No good,

Everything is changing,
and I've been here for too long
Going through the same things
I've been hurting too long, got to move on
Say I-I-I-I can't do this anymore
If everything is changing
and I know, yeah you'll find it

Got to let go
Got to let go

I don't understand playing by the same hand
How you find something new
I can't work it out, what it's all about
I won't live my life through you
This ain't real, this ain't cool
This ain't what I signed up too
This ain't right, it's no good
No good

Everything is changing
and I've been here for too long
Going through the same things
I've been hurting too long, got to move on
Say I-I-I-I-I can't do this anymore
If everything is changing,
and I know, you'll find it

Got to let go
Got to let go

I've been here for too long
I've been here for too long
I've been here for too long
I've been here for too long
I've been here for too long
I've been here for too long
I've been here for too long
Everything is changing
