

Sigrid, Mirror

There was an emptiness
I think you met me at a strange time and you anchored me
I felt anonymous
And you were someone who reminded me who I used to be

It had to break
I had to go
Cause it took me walking away to really know

I love who i see looking at me
in the mirror
in the mirror
nothing compares to the feeling right there
in the mirror
in the mirror

i need loneliness to know
there's notjink that i cant urn into confidence
i couldn't play prytend
and i am sorry that
you had to pay the consequences

It had to break
I had to go
Cause it took me walking away to really know

I love who i see looking at me
in the mirror
in the mirror
nothing compares to the feeling right there
in the mirror
in the mirror

i just fell in love with the person in the mirror
i just fell in love with the person in the mirror

I love who i see looking at me
in the mirror
in the mirror
nothing compares to the feeling right there
in the mirror
in the mirror
