

Skew Siskin, Who Cares

I never been hyped before
I never been jived before
I came from the land down under
To open up the iron door

We got no time to lose
We got no time to spend
'It's what you wanna get
Just need to comprehend

Take it or leave it or throw it all way
Kick it or beat it or get out of my way
IF I CAN'T MAKE YOU STAY WHO WILL
IF I CAN'T MAKE YOU STAY WHO CARES
IF I CAN'T MAKE YOU STAY
SORRY BABE I'M OUTTA HERE

We have been born to prove
We have been born to choose
And I know your deepest fear
Guess baby I can feel it too

I didn't tell you I'm evil
I didn't tell you I'm bad
I didn't tell you I'm mean
I didn't tell you what I've seen

IF I CAN'T MAKE YOU STAY WHO WILL
IF I CAN'T MAKE YOU STAY WHO CARES
IF I CAN'T MAKE YOU STAY
SORRY BABE I'M OUTTA HERE

Won't bother you, won't be your girl
Will never see you again
Can't run with you, can't hide with you
Will never break the chain

It doesn't matter now, we leave it there
All the news of yesterday
Take the easy way out without a shadow of doubt
And put the facts straight

IF I CAN'T MAKE YOU STAY WHO WILL
IF I CAN'T MAKE YOU STAY WHO CARES
IF I CAN'T MAKE YOU STAY
SORRY BABE I'M OUTTA HERE
