

# Skylar Grey, C?mon Let Me Ride (ft. Eminem)

If you got a sweet tooth,  
You can taste my watermelons  
If the swing set bores you  
I can show you all my talents  
I can wear a tail, like all the b-tches can't  
You can have all this, boy!  
And there's only one thing that I want from you

Come on, let me rock your bicycle  
It's so fantastical, I'm your bicycle  
We can get a little more physical  
Baby, after all, it's only natural  
Yeah, come in, come in, come in  
Run in, run in, run in  
Come on, let me rock your bicycle  
It's so fantastical, I'm your bicycle

I want to ride my bicycle  
I want to ride my bike

If the world starts freezing, I can make it hot and humid  
If you get a bee-sting, I can suck out all the poison  
I can make you last, like all the b-tches can't  
Have I made it clear, boy?  
There's only one thing that I want from you

Come on, let me rock your bicycle  
It's so fantastical, I'm your bicycle  
We can get a little more physical  
Baby, after all, it's only natural  
Yeah, come in, come in, come in  
Run in, run in, run in  
Come on, let me rock your bicycle  
It's so fantastical, I'm your bicycle

I'm always f-cking with you  
F-ck you for thinking it's true  
I'm not like the things in this town  
They make me blew in my mouth  
I wanna ride on your bike  
Cause you're the boy that I like  
It's like I oughta sell out for you  
But your bikes are shiny and new

She's distracted, by my reflectors, man, I can tell the chick is attracted  
My wheels spoke to her, my swing is a chick magnet  
Bagging up chicks like a bag of chips  
With a bag of prophylactics as big as Mick Jagger lips  
Shagging's not something I'm a pro at, but I ain't practicing sh-t  
Allen, Iverson has safe sex, condoms are for practice, man, I skip practice  
Flip backwards while I flip this bike on its banana seat  
My fantasy is to have you f-ck with a cast tennis  
Got this b-tch gagging, they call me the broad killer  
I'm the cousin of Godzilla  
Cause I spit fire and my dick is draggin'  
Zig zaggin' up the avenue, pulling these chicks in my antagonist  
Waggin', screamin'

Come on, let me rock your bicycle  
It's so fantastical, I'm your bicycle  
We can get a little more physical  
Baby, after all, it's only natural  
Yeah, come in, come in, come in  
Run in, run in, run in

Come on, let me rock your bicycle  
It's so fantastical, I'm your bicycle

I want to ride my bicycle  
I want to ride my bike
