

# Skylar Grey, I Know You (Fifty Shades Of Grey)

I believe, I believe there's love in you  
Gridlocked on the dusty avenues,  
Inside your heart, just afraid to go  
I am more, I am more than innocent  
But just take a chance and let me in  
And I'll show you ways that you don't know

Don't complicate it,  
Don't let the past dictate  
I've been patient, but slowly I'm losing faith

So please, I know you baby  
I know you baby  
So please, I know you baby  
I know you baby

I believe, I believe you could love me  
But your'e lost on the road to misery  
And what I gave to you  
I could never get back  
Don't complicate it,  
Don't drive yourself insane  
Say what you will but I know that you want to stay

So please, I know you baby  
I know you baby  
So please, I know you baby  
I know you baby

Chemicals rushing in,  
I know that it's you that I belong to  
I'm fighting like a cannonball in the air  
Crashing into who I belong to  
Uuuuh uh, uuuuh uuuuh uh  
I have been patient, but slowly I'm losing faith

Please, I know you baby  
I know you baby  
So please, I know you baby  
I know you baby

Please, I know you baby  
I know you baby  
So please, I know you baby  
I know you baby

(The shadows of your heart  
Are hanging in the sweet, sweet air  
I know you baby,  
The secrets that you hide, control us and it's not fair'  
(I know you baby)
