

Skylar Grey, I Know You (Fifty Shades Of Grey)

I believe, I believe there's love in you
Gridlocked on the dusty avenues,
Inside your heart, just afraid to go
I am more, I am more than innocent
But just take a chance and let me in
And I'll show you ways that you don't know

Don't complicate it,
Don't let the past dictate
I've been patient, but slowly I'm losing faith

So please, I know you baby
I know you baby
So please, I know you baby
I know you baby

I believe, I believe you could love me
But your'e lost on the road to misery
And what I gave to you
I could never get back
Don't complicate it,
Don't drive yourself insane
Say what you will but I know that you want to stay

So please, I know you baby
I know you baby
So please, I know you baby
I know you baby

Chemicals rushing in,
I know that it's you that I belong to
I'm fighting like a cannonball in the air
Crashing into who I belong to
Uuuuh uh, uuuuh uuuuh uh
I have been patient, but slowly I'm losing faith

Please, I know you baby
I know you baby
So please, I know you baby
I know you baby

Please, I know you baby
I know you baby
So please, I know you baby
I know you baby

(The shadows of your heart
Are hanging in the sweet, sweet air
I know you baby,
The secrets that you hide, control us and it's not fair'
(I know you baby)
