

Slapstick, My Way

don't care about you and
I don't have a problem
I'll get along with out you
I'll get along just fine, just me
I turn my head and there she comes again
I don't need you
I keep on runnin but somehow she's still here
Do you still need me?
I don't need you

And everything I did
I did it without you
I'm gonna hate everything about you
