

Slash, Actions Speak Louder Than Words feat. M

Another story
One more tale to tell
Another trick to get by
But I know
That's a bold face lie

Another promise
That was bound to break
Am I just losing my mind?

So it goes
It's the same old line

It never ends
So don't pretend

They say that actions speak much louder than words
So if you please just show a sign
Your true intentions well they better be pure
Please don't waste my time

You keep it coming
Like a like a hurricane
It's rolling tumbling down
A heavy load
Gonna, shake, shake, shake you out

The spin goes on
So prove me wrong

They say that actions speak much louder than words
So if you please just show a sign
Your true intentions well they better be pure
Please don't waste my time

But I got something
That you will never take
No

Lord knows that I am way too proud

I lived and learned
This is the last time I'll be burned

They say that actions speak much louder than words
So if you please just show a sign
Your true intentions well they better be pure
Please don't waste my time

They say that actions speak much louder than words
So if you please just do me right
Your true intentions well they better be pure
Please don't waste my time

Your true intentions well they better be pure
Please don't waste my time
