

# Sleigh Bells, Bitter Rivals

it was the best in time  
it was the worse in time  
I had to keep new sheriff in town  
She was gonna try to keep me  
Go, go, go. go  
In your dreams you never go down  
Some how, some how  
Another () make picture of you  
()  
So clean, so clean  
  
Don't scream for happy end
