

# Slipknot, Butcher's Hook

Contrite- Commercial- Arrogance- Leprosy  
Consume The Bitch- The Fucker- Mindless- Like A Child  
For Pity's Sake- I've Had All That I Can Take  
We Try- But In The End We'll See  
There Are No More Codes  
Only Who Is Shit/And Who's Still Free

I was gonna change the world with honor and aggression  
No one listened- no one cared  
All they saw was misdirection

"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again

I don't want you anymore  
I don't want you anymore  
I don't need you anymore  
I don't need you anymore

Fingerprint of God/Your new religions covet  
This vessel wasn't built to last  
But I will live forever/you'll never have to say surrender  
Because you're so part of it

My total honesty has no place for Tomorrow  
Guilty pleasures give me pain  
Tell my people I CAN'T FOLLOW

"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again

You'll never CENSOR me/You'd better CHERISH me  
My REASON has a voice/Freedom's gone but we'll always have a CHOICE  
My PRESENT FUTURE TENSE/It doesn't make much SENSE  
I'm coming after you/FUCK YOU ALL I'M THE ONLY POINT OF VIEW

Violence and Dollar Signs/Another processed piece of shit  
You hide your fault in DIAMONDS and give away the only cost  
You can't delay the inevitable  
LOST- don't understand the incredible path  
I'm losing ground- but I won't care when I go down

"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again

"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again  
"(Go ahead and disagree)" I'm giving up again

I'm giving up again  
I'm giving up again
