

Slipknot, Danger keep away

We too feel alone
That place in my mind
Is that space that you call mine
That place in my mind
Is that space that you call mine
Where have I been all this time
Lost enslaved fatal to climb
I've been waiting for this to unfold
But
The pieces are only as good as the whole
Severed myself from my whole life
I cut up the only thing that was bright
What if i never saw you again
I'd die right next to you in the end
That place in my mind
Is that space that you call mine
That place in my mind
Is that space that you call mine
I won't let you walk away
Without hearing what I have to say
Without hearing what I have to say
Without hearing what I have to say
