Slipknot, Danger keep away

We too feel alone That place in my mind Is that space that you call mine That place in my mind Is that space that you call mine Where have I been all this time Lost enslaved fatal to climb I've been waiting for this to unfold The pieces are only as good as the whole Severed myself from my whole life I cut up the only thing that was bright What if i never saw you again I'd die right next to you in the end That place in my mind Is that space that you call mine That place in my mind Is that space that you call mine I won't let you walk away Without hearing what I have to say Without hearing what I have to say Without hearing what I have to say
