Slipknot, Dead Memories

Sitting in the dark I can't forget Even now, I realize the time I'll never get Another story of the bitter pills of fate I can't go back again, I can't go back again

But you asked me to love you and I did Traded my emotions for a contract to commit And when I got away I only got so far The other me is dead. I hear his voice inside my head

We were never alive And we won't be born again But I will never survive With dead memories in my heart Dead memories in my heart Dead memories in my heart

You told me to love you and I did Tied my soul into a knot and got me to submit So when I got away, I only kept my scars The other me is gone. Now I don't know where I belong

We were never alive
And we won't be born again
But I'll never survive
With dead memories in my heart

Dead visions in your name Dead fingers in my veins

Dead memories in my heart Dead memories in my heart Dead memories in my heart Dead memories in my heart

Oh, oh
