

# Slipknot, Gently Song By Slipknot

Gently, my mind escapes  
Into the relaxing world of pleasure  
A pleasure that'll take my mind  
Off the reality of my life  
My past life, life as I know it now  
And whatever may come, it slowly disappears  
To somewhere in the back of my mind  
It will remain there  
Until I wish to retrieve it  
Yes, I will stay here for awhile  
For I need the break  
A break from the pressures of life  
And everything that lays in the palm of life's hands  
This mode is incredible  
It's out of this world  
Too bad I must always leave it  
But that's life
