

Slipknot, Get This (Live)

Fuck
Give me a scream, Corey.

Yaaaaaaa!

I don't like a fucking thing; music sucks dick
Suck the snot end of the tip of my prick, you fucking cunts
Get up off of my back
I don't wanna do a show with your shitty fucking band
You suck, they suck, guess what? Get fucked
I can't think of any other word to say, but, fuck
Don't drag our opinions, our opinions are great
It's new school face motherfuckers I hate, so

Local bands! Suck these nuts
U.S. bands! Suck these nuts
World wide bands! Suck these nuts
All you bands can suck these fucking nuts, go!

Don't remind me
'Cause you can't stop me from breaking your face
It's you I'll erase; it's hate, motherfucker, hate, motherfucker

Local bands! Suck these nuts
U.S. bands! Suck these nuts
World wide bands! Suck these nuts
All you bands can suck these fucking nuts, go!

Life's so shitty, but ain't it fucking great?
Life's so shitty, but ain't it fucking great?
Life's so shitty, but ain't it fucking great?
Life's so shitty, but ain't it fucking great?
