Slipknot, New Abortion

I'm ethereal, my children are legion, serial They stick to my skin like beloved cysts I tear away with my nails and teeth and fists Touch the hands of inverted saints Follow my heart through the threaded pain Callow man is a sentinel screaming I see the future; the future is bleeding Sores, every goddamn minute I can feel 'em now Like a virus, you will never kill me now Goin' underground, comin' on like hepatitis We're out - and you can't reshape us Another bug in the construct Tearin' up the main bus B Zeros and ones are everything - execute me Everywhere you look, it's like they know Their fingerprints are hidden by CONTROL This is where the line is drawn, see YOU CAN'T TAKE MY SOUL AWAY FROM ME What do you need to see? Ya feel the impact? Gotta retract - everybody get back What is this? It's like a big conspiracy Fields of dejected morbid progeny They always say that it's always our fault But everything we say is taken with a grain of salt Man, it's always the same, if we talk or complain We only wanna upset the balance How's it feel to be the New Abortioin? The only generation to suffer extortion Everywhere you look, it's like they know Their fingerprints are hidden by CONTROL This is where the line is drawn, see YOU CAN'T TAKE MY SOUL AWAY FROM ME YOU CAN'T TAKE MY SOUL AWAY FROM ME
