

Slipknot, Seek 'N' Strike

Here we go...Another day, another strike
Here we go...Its the living sacrifice
Here we go...Against your bullshit ways
Here we go...Against your false pretend
Here we go...Another day, another huor
Here we go...Take back the power
Here we go...Id rather die on my feet
Here we go...Than keep living on my knees
Here we go...Another day, another strike
Here we go...Jumpdafuckup and fight
Here we go...Another place, another tribe
Here we go...No, we wont take your bribe
Here we go...Another day, another night
Here we go...With this music unite
Here we go...Another freedom fight
Here we go...God bless me inside
Seek n Strike
