

# Slipknot, Snuff

Bury all your secrets in my skin  
Come away with innocence and leave me with my sins  
The air around me still feels like a cage  
Love is just a camouflage for what resembles rage again

So if you love me, let me go  
And run away before I know  
My heart is just too dark to care  
I can't destroy what isn't there

Deliver me into my fate  
If I'm alone, I cannot hate  
I don't deserve to have you  
My smile was taken long ago  
If I can change, I hope I never know

I still press your letters to my lips  
And cherish them in parts of me that savor every kiss  
I couldn't face a life without your light  
But all of that was ripped apart when you refused to fight

So save your breath, I will not hear  
I think I made it very clear  
You couldn't hate enough to love  
Is that supposed to be enough?

I only wish you weren't my friend  
Then I could hurt you in the end  
I never claimed to be a saint  
My own was banished long ago  
It took the death of hope to let you go

So break yourself against my stones  
And spit your pity in my soul  
You never needed any help  
You sold me out to save yourself

And I won't listen to your shame  
You ran away, you're all the same  
Angels lie to keep control  
My love was punished long ago  
If you still care, don't ever let me know  
If you still care, don't ever let me know
