

# Slipknot, Tattered & Torn (Another Version)

Tattered and Torn

Tattered and Torn  
That's where my soul is worn  
Tattered and Torn  
That's when I was born  
Tattered and Torn  
I broke away from me  
Tattered and Torn  
I knocked me to my knees

Tattered and Torn  
I drink my own cells  
Tattered and Torn  
A decomposing well  
Tattered and Torn  
Roaches in my head  
Tattered and Torn  
I become the living dead

Tattered and Torn  
Torn (x8)

Tearing myself apart from the  
things that make me hurt (x8)
