Slipknot, The Devil In I

Undo these chains, my friend I'll show you the rage I've hidden Perish the Sacrament Swallow, but nothing's forgiven You and I can't decide which of us was taken for granted Make amends... Some of us are destined to be outlived

Step inside - see the devil in I Too many times, we've let it come to this Step inside - see the devil in I You'll realize I'm not your devil anymore!

Under the words of men Something is tempting the father Where is your will, my friend? Insatiates never even bother You and I, wrong or right Traded a lie for the leverage In between the lens in light You're not what you seem

Step inside - see the devil in I
Too many times, we've let it come to this
Step inside - see the devil in I
You'll realize I'm not your devil, I'm not your devil anymore

Your station - is abandoned Fool You cause I know what you've done Sensation - Depravation You should've burned when you turned on everyone

So step inside - see the devil in I
Too many times, we've let it come to this
Step inside - see the devil in I
Oh, when all that's left does not make sense
Step inside - see the devil in I
I know you'll find your answers in the end
Step inside - see the devil in I
You'll realize I'm not your devil...
Anymore!

So step inside - step inside See the devil in I, see the devil in I
