Slipknot, Yen

You're the sin that I've been waiting for
The hands around my throat, it's all I can think about
The Smell of Sweat and Blood
I would feed you all my pleasures just to drown in all of yours
Have you heard of me… are you hurting me…?
Let me savor what I'm waiting for, a chance to make me choke
You're all I can think about… the Taste is Red and Rust
Can I hold you in my mouth until I fade into this form?
Can you cover me… will you BREATHE for me…?

AS THE KNIFE GOES IN- CUT ACROSS MY SKIN
WHEN MY DEATH BEGINS I WANT TO KNOW THAT I WAS DYING FOR YOU
I DIED FOR YOU
AS THE KNIFE GOES IN- CUT ACROSS MY SKIN
WHEN MY DEATH BEGINS I WANT TO KNOW THAT I WAS DYING FOR YOU
I DIED FOR YOU

Don't know what has happened yet, a surge of panicked zeal
Worry when it's not effect- this game is fine by me
All the words for retribution only add up to revenge
Overpower me…. And devour me…

AS THE KNIFE GOES IN- CUT ACROSS MY SKIN
WHEN MY DEATH BEGINS I WANT TO KNOW THAT I WAS DYING FOR YOU
I DIED FOR YOU
AS THE KNIFE GOES IN- CUT ACROSS MY SKIN
WHEN MY DEATH BEGINS I WANT TO KNOW THAT I WAS DYING FOR YOU
I DIED FOR YOU

Show Me All The Deaths Are The Same/Show Me You'll Remember My Name
Show Me All The Deaths Are The Same/You Will Remember My Name

I wish this pain could last forever… forever
I wish this kill could make me suffer… for good

AS THE KNIFE GOES IN- CUT ACROSS MY SKIN
WHEN MY DEATH BEGINS I WANT TO KNOW THAT I WAS DYING FOR YOU
I DIED FOR YOU
AS THE KNIFE GOES IN- CUT ACROSS MY SKIN
WHEN MY DEATH BEGINS… I KNOW THAT I AM DYING FOR YOU
I'LL DIE FOR YOU…
