

# Sloan, Are You Giving Me Back My Love?

(J. FergusonSloan)

Oooo - Are you giving me back my love?

Oooo - Are you giving me back my love?

'Till the words flow like the pros  
And the meaning shows  
I'll be quick and state my case  
Underlined and single spaced  
'Cause I need to know

Oooo - Are you giving me back my love?

Oooo - Are you giving me back my love?

When the pencil's on the page  
And thoughts just slowly engage  
Hope you're hearing this last line  
Waiting for the signs

And then you'll know

I'm singing my heart out  
But you were so out of range  
I'm singing my heart out  
But you were so out of range  
I'm singing my heart out  
And it was out of my range  
I'm singing my heart out  
And you were so out of range

Oooo - Are you giving me back my love?

Oooo - Are you giving me back my love?
