## Sloan, Losing California

You hit rock bottom and everybody knows it But does anybody care how you got there? Admit to yourself that everything's a problem But when it comes down what do you care?

They're losing California Inch by inch, sit back and watch it go. Coming in clearly Dance, dance, dance to the radio.

And everybody loves it but Nobody knows what it stands for. Get into yourself in dark sunglasses And elevate it all 'til it means more.

And move out to California Inch by inch is all you need to go. Coming in clearly Dance, dance dance to the radio.

Sometimes it's too much You want to get right out of your mind. Sometimes it's too much You're gonna go right out of your mind.
